## **Parish Newsletter : 2<sup>nd</sup> – 8<sup>th</sup> January 2022**

➔ “Thanks” to all who helped clean our Church for Christmas. Their hard work and dedication always enhance’s our worship of God at Holy Mass.

→ **PARISH OFFICE** will reopen on Tuesday 4<sup>th</sup> January 2022 following the Christmas break.

**€6250** is the final total from the SHARE collection and

donations received in the donation boxes near the doors in aid of St. Vincent de Paul Society. Thank you for standing by families in need. This a year St Vincent de Paul Society received more calls for help nationally than at any other time in their history. Just when it felt like Ireland was heading into another dark Christmas, with new restrictions and the financial difficulties people are facing, the people of Ireland sparked a light by responding to the collection appeal. This has showed once again how generous and compassionate you are in the Visitation Fairview Parish. Your support will allow the SvP volunteers to visit people in need in January and over 2022. Making sure no person is hungry, cold, or without essentials – thank you. .... **and donations are still arriving .....**

**Wishing you a peaceful New Year,**

This end of the civil year affords an opportunity for the faithful to reflect on “the mystery of time”, which passes quickly and inexorably. Such should give rise to a dual feeling: of penance and sorrow for the lost occasions of grace; and of thanks to God for the graces and blessings He has given during the past year. These sentiments have given rise to two pious exercises: prolonged exposition of the Blessed Sacrament, and the singing of the *Te Deum* as an act of community praise and thanksgiving to God for the graces received from Him as the year draws to a close”

**Pope Francis message for the 2022 World Day of Peace, the 55th celebration, is entitled “Dialogue between generations, education, and work: tools for building lasting peace.” In the text, Pope Francis outlined three “paths for building a lasting peace”:** promoting dialogue between generations, investing in education, and improving labor conditions. The pope called for a new alliance between the young and elderly to address the problems of isolation and self-absorption heightened by the coronavirus pandemic.
