**To review the Synodal Pathway report and letter from Archbishop Dermot Farrell**

**SVP, The goal of SVP is to fight poverty in all its forms through the practical  
assistance to people in need.** We offer direct, personal assistance that is non-  
judgemental and based on the need of the individual or family. In addition we provide  
a wide range of services for vulnerable people through our local offices, shops, resource  
centres, housing, day-care and holiday schemes amongst other things.

**Vocation : If God has chosen you to be a priest, this is the first thing he  
will do: He will make you think about it! Even if you do not want to. And  
these thoughts will not go away easily.** The call to vocation in the church is a  
call to use your gifts and talents and abilities to build up the Kingdom of God,  
depending upon his divine help and inspiration. Vocation then is a generous  
and radical giving of oneself to the service of our brothers and sisters. The call  
to priesthood is the call to give your life to making Christ's presence real  
through the sacraments and especially through the Eucharist.

The contemplative community of **Poor Clare sisters**, whose monastery is in  
Nuns' Island, Galway. We have had a presence in Galway for over 375 years.  
From our beginnings in Gravelines in early seventeenth-century northern  
France, to Ireland of 2020, the same life of daily prayer, adoration of the  
Blessed Sacrament, work, and community life continues today, inspired by our  
holy founders St. Clare and St. Francis. St. Clare was the first female follower of  
St. Francis. She was captured by his vision of poverty, humility and simplicity  
and the resulting joy that flowed from a life lived in imitation of the Lord Jesus.  
It is this same Spirit-inspired vision which animates our Community today....

In the words of St. Francis: **May the Lord give you peace!**

**Prayer for a sick friend:** Dear St. Anthony, you have always helped those who invoked you. I fervently pray for a sick person so dear to me. I beg you to obtain for them the gift of healing, or at least to ease their pain and find inside them the strength to offer those tribulations to the Lord in union with the Passion of Christ. You, who in your earthly life were a friend of the suffering and supported them with your deep charity and your gift of miracles, be close to us through your protection, console our hearts and turn our physical and mental suffering into a source of merit for the eternal life. Amen

### World Day for Grandparents and the Elderly

Pope Francis has established a World Day for Grandparents and the Elderly, which will take place for the second time on Sunday 24 July 2022 on the theme 'In old age they will still bear fruit (Ps 92:15)'. The World Day was established to be celebrated on the Sunday closest to the Feast Day of Saints Joachim and Anne on 26 July.

"The World Day for Grandparents and the Elderly is taking place this year against the backdrop of the war in Ukraine and conflict in many other parts of the world. Pope Francis addresses this in his text and invites Grandparents in particular 'to teach the women and men of our time to regard others with the same understanding and loving gaze with which we regard our own grandchildren. Our grandparents held us in their arms and carried us on their knees; now is the time for us to carry on our own knees – with practical assistance or with prayer alone – not only our own grandchildren but also the many frightened grandchildren whom we have not yet met and who may be fleeing from war or suffering its effects.

"My favourite line from the Pope's message is when he invites us to be poets of prayer:

***'Let us too become, as it were, poets of prayer: let us develop a taste for finding our own words, let us once again take up those taught by the word of God. Our trustful prayer can do a great deal: it can accompany the cry of pain of those who suffer, and it can help change hearts. We can be "the enduring 'chorus' of a great spiritual sanctuary, where prayers of supplication and songs of praise sustain the community that toils and struggles in the field of life.'***

"What a wonderfully uplifting challenge to all of us to become poets of prayer!
