Church Lighting and Energy Conservation

As you are well aware energy use in these times has become a major issue. It
makes sense financially and in a practical way to change to low power LED lighting.
This will happen in February of next year. The contract is already arranged. The
Parish may ask for some donations nearer the time – after Christmas.

This is following our research and reading information from Electric Ireland **“LED
light bulbs use up to 85% less electricity than traditional light bulbs and 95%
of that energy is converted to light with only 5% wasted as heat. Not only
does that energy efficiency save money on your bills, it also reduces your
impact on the environment. They are also mercury free, making them more
environmentally friendly all around.”**

SVP has created an 'Energy Support Scheme'

Our goal is to fight poverty in all its forms through the practical assistance to
people in need. We offer direct, personal assistance that is non-judgmental and
based on the need of the individual or family. In addition we provide a wide range
of services for vulnerable people through our local offices, shops, resource
centres, housing, daycare and holiday schemes amongst other things.
The **energy support scheme** is to help people deal with the burden of energy
costs. You can request a credit for an Electric Ireland or Bord Gáis Energy
customer (Bill pay only) or request hardcopy 'Energy Vouchers' from the SVP
regional office. To find out how this assistance is available, please contact SVP
01-8848200 or email info@svp.ie

Queen Elizabeth II

Bishop Donal McKeown of Derry said, "Queen Elizabeth lived a life of dedicated public service – at no small personal cost to herself. During some very challenging times she retained a great sense of calm and dignity. It was clear that Queen Elizabeth was a woman with a **deep faith in Jesus Christ to whom we commend her. May she rest in peace.**"

Pope Francis spoke to journalists on the flight back to Rome from Kazakhstan last Thursday:

'Difficult to dialogue with those who started a war, but it must be done'
Pope Francis tells reporters that "the decadent West breeds populism; in politics we must start again from values.... With China, we need the patience of dialogue."

Saint Matthew – Feast Day 21st September, the first-century tax collector turned apostle who chronicled the life and ministry of Christ in his Gospel, is celebrated by the Church today, September 21. Although relatively little is known about the life of St. Matthew, the account he wrote of Christ's ministry – traditionally considered to be the first of the four Gospels - is of inestimable value to the Church, particularly in its verification of Jesus as the Messiah.

The Gospel accounts of Mark and Luke, like Matthew's own, describe the encounter between Jesus and Matthew under the surprising circumstances of Matthew's tax-collecting duties. Jewish publicans, who collected taxes on behalf of the Roman rulers of first-century Judea, were objects of scorn and even hatred among their own communities, since they worked on behalf of the occupying power and often earned their living by collecting more than the state's due. Jesus most likely first encountered Matthew near the house of Peter, in Capernaum near the Sea of Galilee. The meeting of the two was dramatic, as Matthew's third-person account in his Gospel captured: "As Jesus passed on," the ninth chapter recounts, "he saw a man named Matthew sitting at the customs post. **He said to him, 'Follow me'. And he got up and followed him.**"
