Upgrade of the Church Lighting

The upgrade of the lighting system in our Church is scheduled with the contractor for January 2023.

As you are well aware energy use in these times has become a major issue. It makes sense financially and in a practical way to change to low power LED lighting. This upgrade will improved energy and maintenance efficiencies as well as a better-quality light, the ability to dim lighting, eliminate warm-up times and the capability of frequent switching.

DONATIONS ARE WELCOME

Please place donation in an envelope and write your NAME & ADDRESS
and "Church Lighting" on envelope
