St Faustina at Midnight Mass on Christmas Eve in 1937, **St. Faustina saw a glorious vision of the baby Jesus**. She writes about it in her Diary and describes what happened. When I arrived at **Midnight Mass**, from the very beginning I steeped myself in deep recollection, during which time I saw the stable of Bethlehem filled

with great radiance. The Blessed Virgin, **all lost in the deepest of love**, was wrapping Jesus in swaddling clothes, but Saint Joseph was still asleep. Only after the Mother of God put Jesus in the manger, did the light of God awaken Joseph, who was also praying. But after a while, I was left alone with the Infant Jesus who stretched out His little hands to me, and I understood that I was to take Him in my arms. **Jesus pressed His head against my heart and gave me to know, by His profound gaze, how good He found it to be next to my heart**. At that moment Jesus disappeared and the bell was ringing for Holy Communion.

Upgrade of the Church Lighting : The upgrade of the lighting system in our Church is scheduled with the contractor for January 2023.

As you are well aware energy use in these times has become a major issue. It makes sense financially and in a practical way to change to low power LED lighting. This upgrade will improve energy and maintenance efficiencies
