**Thank You for all your Donations to the Church Collections online, electronic payment and by post or cash.** It is so much appreciated at this difficult time. We rely completely on donations & fundraising to maintain our Church.

**Donations and Collections at Mass** : The current method of using the two Collection Baskets had to be change. New Collection Bags will be used to try to rectify the problem. The bags will be passed around by collectors to each seat and then they will be taken into the Sacristy.

➔ The secure donation boxes can be used at anytime. Located at each door area. You can make your **FIRST COLLECTION** and **SHARE** donations, **FAMILY ENVELOPES more tax-efficient, by using envelopes**. If you have not set this up already. You can contact the Parish Office by email [visitation.fairview@gmail.com](mailto:visitation.fairview@gmail.com) to find out how to easily set this up. How does this work? Under current tax law, since we have charitable status, any cumulative donation in a given tax year to Visitation Fairview Parish of €250 or more (by way of Family Offering, Dues, First Collection or Share Collection) is eligible for **tax relief (amounting to almost 45% of the donation)**. This tax relief would be paid directly to Visitation Fairview Parish. As can be appreciated, we can only reclaim tax for Collections when we are able to record the source of these donations. The envelope system facilitates this or write your name and address on envelope. You then simply place your donation in a **FAMILY** envelope.
