Gospel Reflection - Mark 4:26-34: Jesus taught the crowds about the kingdom
of God using parables, comparing it to a growing seed and a mustard seed that
becomes a large plant. He explained these teachings privately to his disciples.

Contact: Anna Mann on 086 8566007 for more information and to book a place. We
hope you will be able to join us on the day, Please God.

Summer Dues Collection : Please support your priests through the Summer Dues
collection. The generosity that people show towards their priests is indispensable.
**Please play your part, too, in a renewed and active involvement of all parishioners
as together we sow seeds for a future harvest, trusting always in God's plans for us.**

Our Gospel reading at Mass today talks about sowing seed on the land. Priests and
other parish leaders and ministers are being asked to find new and creative ways of
sowing the word of God, seeking to build up partnerships of parishes in the times
that are upon us. Night and day, while we are asleep, when we are awake, the seed is
spouting and growing; how we do not know (**Mark 4:26-34**).

*The mustard tree emerges from the tiniest of seeds. We do not yet
know what will emerge for the Church locally, but 'we are always full of
confidence' (2 Corinthians 5:6). We are full of prayer too – it is the Lord's work, the
work of the Holy Spirit who calls us to mission.*

With your help the parish can claim a tax refund from Revenue to the value of
up to 45% of your identifiable contributions amounting to €250 or more in any
given year.

Please use the Summer Dues Envelopes in our Church.

DAY FOR LIFE – SUNDAY, JUNE 16 : Day for Life Sunday is celebrated annually with a special message by the Catholic Church across Ireland, Scotland, England and Wales. It is a day specifically dedicated to raising awareness and reflecting on the deep value and meaning of human life at every stage, and in every condition. On Sunday, June 16, the Church will mark Day for Life 2024 with a message on the theme:

The Lord is my shepherd – Compassion and Hope at the End of Life.

This year's message reminds us that Jesus did not send the sick away, rather He showed that life always has dignity and that there is no such a thing as a useless life. Catholics are called to defend this gift of life to its natural end and to protect vulnerable citizens from a culture that could pressure them into assisted suicide. In this way, we are encouraged to support people with the companionship of a listening ear, appropriate treatment, and the best of care, so that their last days can be times of grace, intimacy and love.

TWIN PILLARS – ST MARY'S AND ST ANDREW'S :

In his homily for the Feast of St Kevin at St Mary's Pro-Cathedral on Monday, June 3, Archbishop Farrell said:

- Church is called to work actively towards restoring a living heart to our cities.
- The center of a city – its heart – needs people, and people need worthy spaces to live and to be – to be with each other, and to be with 'the Other' – Our God who constantly creates us and recreates us.
- A living Church is a community that looks towards the other and goes out towards the other, not only to new generations in new places, but also in new ways in old places.
- In that spirit, I am asking the Holy Father to designate St Mary's as the Cathedral for Dublin as part of a renewed pastoral and missionary strategy at the centre of our Diocese.
- This will involve having St Mary's and St Andrew's (Westland Row) as twin pillars for the worthy celebration of Catholic life in Dublin in its liturgical, pastoral and cultural dimensions.
