13th June : Saint Anthony of Padua, Priest and Doctor—Memorial

: St Anthony was a simple and humble
friar who preached the good news lovingly and with fearless
courage. The youth whom his fellow friars thought was uneducated
became one of the great preachers and theologians of his day. He was a man of great
penance and apostolic zeal. But he was primarily a saint of the people. His effectiveness
in calling people back to the faith through his preaching was just as important as his
peacemaking and calls for justice.

Quote : *"The man who is filled with the Holy Spirit speaks in different languages. These
different languages are different ways of witnessing to Christ, such as humility, poverty,
patience and obedience; we speak in those languages when we reveal in ourselves these
virtues to others. Actions speak louder than words; let your words teach and your actions
speak. We are full of words but empty of actions, and therefore are cursed by the Lord,
since he himself cursed the fig tree when he found no fruit but only leaves."*

~Sermon of Saint Anthony of Padua

*Patron Saint of amputees, animals, mail, horses, expectant mothers, fishermen, harvests,
lost articles, boatmen, and travelers, as well as the elderly, oppressed, poor, and starving.*

Canonized by Pope Gregory IX on 30 May 1232

St. Anthony, glorious worker of wonders, you have assisted me with great kindness and have consoled my soul. I express to you now my heartfelt gratitude and thanks for all your heavenly aid. Accept my prayer, and my sincere promise, to strive to live always in the love of Jesus Christ and of my neighbour. Continue to shield me with your powerful protection, and obtain for me the final grace of being able, one day, to enter the Kingdom of Heaven, and to join with you in the everlasting praises of God's love and mercy. Amen.
