**Share Appeal : Message from Archbishop Farrell**

Contributions to Share have not fully recovered since COVID-19. I appeal to you today to consider increasing your contribution throughout the year to this important fund which reflects practically our solidarity, support and care for each other as Church across the Archdiocese.

At this time in the Archdiocese, through the Building Hope initiative, we are learning to renew parish life by engaging in conversation, listening to each other, and working together in partnerships of parishes. The recently published Building Hope Pastoral Strategic Planning Resource 2025–2027 provides us with a real possibility of looking together at new ways of expressing our cherished Catholic tradition, vision and way of life. While the purpose of the Share collection has evolved over the years, it is a significant source of funding and encouragement in the Archdiocese, strengthening parish life and ministry.

Importantly, Share also provides much needed financial support to disadvantaged parishes. It is necessary for all of us to become more aware of the challenges faced in different parishes in our Diocese.
